BOOKING A CHASSIS IS EASIER

Designed to provide chassis on a short and midterm basis to the carriers who manage the inland ISO container supply chain.

TRAC Connect™ provides capacity, flexibility and pooling efficiency when and where you need it most.

EZ Book is the easiest way to reserve a bare chassis.

- Monitor your company's chassis bookings from multiple locations.
- Organize and manage inventory, clients, and resources.
- Keep track of bookings over time.
- Sign onto your account, choose your equipment type and location, and your booking is instantly transmitted to the appropriate terminal.
